

FIRST AID KIT

GKB 300 First Aid Box Kit For 100 People made of strong ABS plastic which is shiny, smooth, and easy to clean. The kit contains a neoprene seal which makes the kit dustproof. The wall bracket is able to secure the kit on a common house wall. The internal crystal partitions permit a more flexible and scientific item arrangement. Additionally, two swivel catches are set for closing security. Recommended use: business companies, small factories, workshops, labs, and etc.
